

Scholarships

Jordan University of Science and Technology (JUST) extends a range of scholarships to its students, aiming to bolster their academic pursuits and ease financial constraints. These scholarships are generously furnished by governmental bodies, external organizations, and internal channels. Presented below is a comprehensive table delineating the assortment of scholarships accessible to JUST students. In 2023, JUST facilitated a total of 17,831 scholarships covering 100% of the minimum tuition fees, with an additional 1,819 scholarships covering 50% of the minimum tuition fees.
